## PROTECTION AGAINST IDENTITY THEFT

Identity theft is a crime in which an imposter gains access to another's personal information, such as Social Security, credit card numbers, or medical insurance information and uses this information for personal gain. Identity theft might be the result of a lost or stolen purse, stolen mail, documents taken from your trash, a data breach, computer virus or a telephone scam.

Madison County Federal Credit Union's **IDProtect®** services provide enhanced identity protection services to our checking account members.

IDProtect® identity theft protection gives you everything you need to safeguard your identity, monitor your identity and recover your identity until it is completely restored should you become a victim. If you have a checking account with Madison County FCU, all you have to do is register for the additional services at [www.idprotect247.com](http://www.idprotect247.com) **MORE ABOUT THE SERVICE >>**
