JULY 2020

**STOP BY AND MEET  
THE PENDLETON STAFF**

## **NEW PENDLETON OFFICE IS NOW OPEN!**

We're excited to now be in Pendleton and ready to serve members from our NEW PENDLETON OFFICE located in the Needler's Shopping Plaza. The Pendleton office opened on Monday, June 1.

The Pendleton branch, like all MCFCU branches, will offer a full range of banking services and be open to serve members from 9 to 6 on Mondays through Friday. Banking services are also available 100% online, including account opening, loan applications and loan closings.

In celebration of the credit union's opening month in Pendleton, several month-long specials will be offered to current and new members. A grand opening celebration and ribbon cutting will take place in the coming months.

**"This new branch is an opportunity for us to serve the local community with a local credit union option at a convenient location. We've wanted to be in Pendleton for a long time and we are excited to become an integral part of the community."**

CEO, Madison County Federal Credit Union
